

NCAA Information

Registration:

The NCAA Initial-Eligibility Clearinghouse, located in Iowa City, Iowa, is the organization that handles **ALL** inquiries regarding an individual's initial eligibility status.

Fill out the online form at the Initial-Eligibility Clearinghouse Web Site (see bottom of page) or call the NCAA publications hotline at 1-800-638-3731 and ask for a free copy of the "Guide for the College-Bound Student-Athlete" which contains the registration forms and a Clearinghouse brochure. Yorktown information needed for forms - School Code: 153890.

Students must register with the NCAA Clearinghouse AFTER August 1 following the completion of their junior year of high school. **ATTENTION:** All prospective student-athletes intending to enroll in an NCAA Division I or II institution for the first time must complete the NCAA Amateurism Certification questionnaire.

SAT and ACT Testing:

The NCAA has adopted new legislation that will require prospects who intend to enroll at NCAA Division I and Division II institutions to supply ACT or SAT scores to the Clearinghouse directly from the testing agencies. Note: test scores on an official high school transcript will no longer be usable for NCAA purposes.
